

What have we heard from God?

Engaging Kids:

- What is one thing you've learned over these last few weeks?
- What is one thing you'd enjoy doing as a family to help you to keep learning from and hearing from God?
- What would you need to change to be sure you had time to do that new thing as a family?

Activity: Take time to cut out a small piece of card and make a prayer card, listing the names of any friends each one would like to pray for (each child could make their own card with their own friends/family names on). Then allow each child to decorate their card. Close with a little prayer for these friends

Personal Reflection or Small Group Discussion:

Take the opportunity to reflect on what you've heard from God throughout the Amplified series.

1. What have you heard from God about your own life?
2. What have you heard from God about reaching people who don't yet know Jesus?
3. What actions do you now need to take to be obedient to what God is saying to you?
4. Is there anything you feel God has said to you to pass on to Alex about the whole

church? Or to pass on to your congregational leader about your congregation?

5. Think of three family members or neighbours who don't yet know Jesus and pray Romans 10:13 for them?
