# PARENTS GUIDE

Hello!

This pack is meant to be used alongside the Kids Connection video on April 26th 2020. If you've not watched the video yet they can be found at <a href="mailto:thebeaconchurch.com/kidsconnection">thebeaconchurch.com/kidsconnection</a>. Watch the video, then take a look through this pack.

If you do any of the activities don't forget to share pictures of them to in the <u>Beacon Kids Facebook Group</u> (to join if you haven't already)ready for the at live chat at 2pm on Sunday 26th April.

If the discussions on faith lead your child to ask difficult questions and you'd like help answering them do email me at hannah@thebeaconchurch.com. I don't have all the answers, but I currently live with two Pastors who live tricky questions!! Equally, if this session has encouraged your child to ask more about faith I'd be delighted to chat with you and them over Zoom if you'd find that helpful.

This week look out for Professor Beacon experiments (Fri's 10am) and the Kids Quiz (Weds 3pm).

Take Care Hannah Beacon Children's Church Team

# **TELL THE STORY**

Choose these activities to help you reinforce the story we have just learnt about.

#### Read A Children's Bible

Noah is a hugely popular Bible story and can be found in most children's Bibles. Why not see if it's in your Bible?

### Noah Story Video

Our video today used the story from Saddleback Kids. They have also made another story video which you can check out here.

### **Brick Bible Story**

If you love lego you might like to check out the pictures of this lego Bible story. Warning!
Please note some of the pictures in this story feature the death of those left behind quite graphically so maybe not for the littlest.

### Bible For Kids App

The Bible For Kids App is available to download here. Check out the 'Two by two' story to catch up with Noah.

# **GET ACTIVE**

Choose these activities if your child learns best through physical activities and games.

## **Lowering The Flood Water**

Give your child a bucket of water outside and a bunch of different size containers. Challenge your child to empty the bucket into the different containers without spilling a drop.

### **Faith Walk**

Noah walked in faith with God even trusting him to build a huge boat!! Balance a balloon on a plate, how far can you walk? No balloons what about a ball on a spoon.

### **Balloon Shooters**

Kids always love making pom pom shooters (check out how on Guidecentrals <u>video</u>). Then see if you can get two of the same colour pom poms in your target area on the floor. Just as Noah had to get two of each kind of animal into the ark.

### **Noah Says**

Play 'Noah Says' which is basically Simon says, but with animal actions. Slither like a snake, stomp like an elephant, hop like a kangaroo.

# **HANDS ON**

Choose these activities if your child enjoys getting creative and constructing things.

### **Rainbow Biscuits**

The children's church classic.... decorating biscuits! Bring out the digestives and icing and follow the instructions from Flame Creative Ministries

## **Walking Water**

Why not try this science experiment where the coloured water 'walks' from glass to glass. The instructions are on <u>Flame Creative Ministries</u>. Chat about the water in today's story and how Noah was faithful.

### Lego Building

There's lots of lego building options with this story.... the ark, the animals or even a rainbow. Get creative and chat about the story as you build.

#### **Build An Ark**

Get a box or build an ark with cushions then invite all your teddy animals to join you in the ark and act out the story.

# **GET CRAFTY**

Choose these activities if your child loves to cut, stick, sprinkle glitter and create!

### **Dove Handprints**

Pull out the paint and make a dove handprint like this one from <u>Sunday School Zone</u>. Chat about the Noah story while you paint.

### Noah's Ark Door Hanger

Make an ark and add animals below using stickers or drawings to make this fun door hanger from <u>Catholic Icing</u>.

### Paper Plate & Craft Sticks

Check out the crafts on <u>Reading Confetti</u> with a paper plate ark and craft stick animals. Chat about the story as you craft.

#### Ocean Water Bottle

Make an ocean with a plastic bottle and add in whatever you have - fish, a boat etc. Check out what they made at <u>Grace Junior Church</u>.

# **GO DEEPER**

Choose these activities to help your child dig deeper into the Bible and take time to pray.

### Learn The Memory Verse

This week's memory verse Proverbs 3:5. Why not learn it this week, try creating actions to help you remember it or write it out and stick it on the fridge?

### Study The Bible Together

Read Genesis 9:12-15 together. What does the word covenant mean? (promise). Was this promise just for Noah or is it still for us? (us too v12). Knowing that rainbows are a sign from God that he keeps promises, what will you think next time you see one?

### **Prayer Activity**

Get colourful ribbons or post-it notes and write thank you notes on them. Display them on the wall into a rainbow.

### Superbook App

The story of Noah can be found in Genesis 6-9. Why not check it out in the Superbook App in the Bible section and try answering the questions as you read.

#### **Printable Pack**

There's loads of resources available from Sermons 4 Kids including word jumbles, crosswords and more colouring sheets.

#### Wordsearch

Cheack out this wordsearch from <u>Living Water</u> Bible Games

#### Printable Puzzle

This cute picture can be cut up to form a puzzle, there's a colouring in version too from <u>Christian</u> <u>Preschool Printables</u>.
