Discussion

(based off of Alex's talk from Luke 1 in the Sunday Connection video)

1. In the talk, Alex talked about his friend Paul and how he admired his faith. Do you have someone in your life who you admire the way they live out their faith? What do you admire? How do you see them living out their faith that makes you admire them?
2. Today we learned that one of the main reasons that Luke wrote his book was so his friend Theo could be certain about what he knew about Jesus. Do you ever feel doubt or uncertainty about your faith? In what ways?
3. What stood out to you from Alex's talk about Luke 1? What did you find interesting or challenging? Was there something that encouraged you? Was there something you'd never heard before?
4. Alex said Luke was written so we would know our faith is based on rock hard facts and not fairytales. What did you think about that?
5. At the end of the talk, Alex gave some tips for how to read the Bible to understand what it means and to help you to hear what God might be saying. Which of Alex's tips do you think was most helpful? Why? Is there any that you might try this week?
