

## Youth Live Chat Discussion Questions

### May 10 - Luke 4

#### Welcome (5 min)

- Say hello to each young person as they come online.
- Ask a few directed questions and try to chat with the kids as much as you're able.

#### Warm Up Game - Mystery Guest (10 min)

Invite someone who your group all know but wouldn't normally attend to join your call.

Let the mystery guest in the meeting before anyone else, and have them keep their video off so their identity isn't revealed. Be sure the mystery guest changes their display name under their video feed. Let students ask one Yes or No question each, until someone figures out who it is. The person who can guess who it is will win a point.

You can let the kids know that points will add up throughout the chat and the person at the end with the most points will win a sweet that I'll send out to them in the post.

#### Discussion (20 min)

(Based off of Alex's talk from Luke 4 in the Sunday Connection video. Let them know that points can be had for correct answers to questions throughout this section, which can be added to their total for winning.)

1. Offer 1 point to anyone (everyone) who can say one thing they remember from Alex's talk. They can't repeat what someone else has already said.
2. In the talk, Alex said that the next few years should be rather difficult for Christians because we should seek to sacrifice ourselves in whatever way would help someone meet Jesus. What do you think a Christian might have to sacrifice that might make their life more difficult so that someone else could know Jesus?
3. In Luke 4 we are told that Jesus went away to a solitary place to fast and pray - so that he could be with God. Alex said that by the end of his time, Jesus was actually hungry for God. What do you think that means to be hungry for God? Do you ever take time to read your Bible on your own or to pray? Are there some easy ways you could do this?
4. Why do you think Jesus thought it was so important to have this time alone with God? Do you think it would be important for your life? Why/Why not?
5. In Luke 4, Satan tries to convince Jesus that he shouldn't have to suffer, but that was how God used Jesus to save the world - through his suffering. Satan also tries to convince us that we shouldn't suffer as Christians - that nothing bad should ever happen to us and if it does then maybe God isn't good or he isn't really there. What kind of "suffering" do you think young people your age experience? Why do you think God might allow us to suffer at times? *The idea here is to help the young*

*people to realize that sometimes serving others and helping others may be hard for us. It may even feel like suffering but actually God can use that to help people come to know Jesus.*

### **Closing Game - An Inventor Scavenger Hunt (10-15min)**

Do a home scavenger hunt as this is hugely popular with all the kids. Before your meeting write a list of items that might commonly be found in the home. Wherever they are right now is their 'base' - this is where the items in the scavenger hunt have to be brought back to (so those using mobile platforms can't take their camera to the item. They need to leave their camera where it is and bring the item to the screen). Read out the items in turn. First person to bring the item to the screen wins a point.

Here's a Suggested List of Items for this week if you'd like to use it:

- Find something you can turn
- Find something bumpy
- Find something metal
- Find something you put together
- Find 3 things that are round
- Find something you twist
- Find something shiny

### **After**

Message Chrissy to let her know who won the game (if it's a tie I'll send sweets to 2 kids).
