Choose these activities if your child enjoys physical activities & games.

#### Plagues Bean Bag Targets

Print out this picture of the <u>ten plagues</u> or draw your own. Then spread them around the room and see how many you can hit with bean bags or balls.

#### Red Sea Water Relay

Get a bowl of water one side of the room and an empty bowl the other, see how quickly you can transfer all the water from the full bowl to the empty one. Time yourself or race a sibling.

### **HANDS ON**

Choose these activities if your child enjoys getting creative and constructing things.

#### Part The Red Sea Experiment

Check out the instructions in this video from Michael Aicken (it's pepper not salt). Can you recreate your own parting of the Red Sea?

#### **Making Dry Land Experiment**

Check out this science experiment from Mocomi Kids where the water is sucked off the plate into the glass. Not quite like parting the Red Sea, but why not tell the story again as you do the experiment!

Choose these activities if your child loves to cut, stick, sprinkle glitter and create!

#### **Exodus Hidden Journey**

The Israelities wandered in the wilderness for many years. Draw your hidden map of their travels then get someone else to paint over it and reveal their journey, full instructions at Flame Creative Ministries.

#### Parting Red Sea Papercraft

You can be as simple or creative as you like with this papercraft idea from <u>Meaningful Mama</u>, draw as many hidden fish as you like then get someone to spot them!

### GO DEEPER

Choose these activities to help your child dig deeper into the Bible & pray.

#### **Bible Study**

Read or have read to you Exodus Chapter 15:1-21. This is how Moses and the Israelites celebrate when they'd crossed the Red Sea! List out some of the characteristics of God described here & thank God for them.

#### **Post It Prayers**

As a family think about some people that you'd like to pray for this week. Write their names on post-it notes and stick them to your fridge to remind you.

### **PRINTABLES**

Choose these activities if your child loves to sit, colour and do printable activities.

#### **Colouring Sheet**

I hope you enjoy this colouring sheet from <u>Super</u> <u>Colouring</u>
