

Youth Live Chat Discussion Questions

June 21 - Luke 10

Welcome (5 min)

- Say hello to each young person as they come online.
- Ask a few directed questions and try to chat with the kids as much as you're able.

Warm Up Game - Remember the Objects (10 min)

The leader should get a tray and fill it with a lot of random objects (15-20) from around the house. Show the tray to the students so they can clearly have a look at the objects on the tray. Give them about 30-45 seconds to look at the tray. Then take the tray away and have them write down a list of as many of the objects as they can remember. The person who gets the most correct items on their list wins the points.

Discussion (20 min)

(Based off of Alex's talk from Luke 8 in the Sunday Connection video. Let them know that points can be had for correct answers to questions throughout this section, which can be added to their total for winning.)

1. Offer 1 point to anyone (everyone) who can say one thing they remember from Alex's talk. They can't repeat what someone else has already said.
2. Have you ever had to go through training for something - like a sport or a job or another activity you wanted to do? What did you have to do for training? Did you think the training was easy or hard? Did you feel prepared to do it by yourself after? How did it go if you tried it by yourself?
3. What were the 2 things that Chrissy said Jesus was training the disciples how to do when he was gone? *To love God and to love others*
4. What examples did Jesus give in Luke 10 of what he meant by loving others? What did he tell them to do? *He sent them out in pairs to eat and drink with people, to pray for them, and tell them about Jesus. He also shared the story of the Good Samaritan where he was generous in the way he helped the man and he was willing to get dirty and do what needed to be done to help someone.*
5. What example did Jesus give in Luke 10 of how to love God? *He gave the example of Mary sitting at Jesus' feet and listening to him and being with him.*
6. Did you notice that in both loving God and loving others the only way to do it was to be with them? To be close to them? You can't love someone unless you are with them. Do you think this would be easy or difficult to love God and love people this way? Would one be harder for you than another? Why?

7. What's one thing you could do this week to work on spending more time with either people or with God to love them better?

Closing Game - Indoor Scavenger Hunt (10-15min)

Do a home scavenger hunt as this is hugely popular with all the kids. Before your meeting write a list of items that might commonly be found in the home. Wherever they are right now is their 'base' - this is where the items in the scavenger hunt have to be brought back to (so those using mobile platforms can't take their camera to the item. They need to leave their camera where it is and bring the item to the screen). Read out the items in turn. First person to bring the item to the screen wins a point.

This list has things that could be found in the back garden so they may need to run outside to complete.

Here's a Suggested List of Items for this week if you'd like to use it:

- Find a key
- Find 2 socks that match
- Find something round
- Find a sticker
- Find a rubber band
- Find a pair of glasses
- Find an envelope

After

Message Chrissy to let her know who won the game (if it's a tie I'll send sweets to 2 kids).
